LOW BUDGET FEATURE TRAINEE

Fact Sheet

Employment of a Trainee under the Low Budget Sideletter:

Production Managers

Note that when considering hiring a Trainee for your project under the Low Budget Sideletter, the only relevant variance from the Basic Agreement is that the hourly and weekly rates in Article 14-103 can be discounted by the specified percentage at each tier, provided no single hour is paid at less than federal or state minimum wage. All other provisions of 14-100, including 14-103 (a) - (d), apply. Further, each of these productions contributes, as they always have, the 3/8% of each covered AD and UPM's salary, to fund the Training Plan.

Guidelines for the employment of a Trainee on a production:

Per Article 14-108 of the DGA Basic Agreement:

A Trainee must work under the supervision of a Second Assistant Director at all times. Employer may employ a Trainee on any motion picture on which at least one (1) Second Assistant Director is employed. Employer may employ no more than one (1) Trainee on any motion picture, except that an additional Trainee may be employed if at least one (1) Second Second Assistant Director is employed on such motion picture.

Why should you take a Trainee?

- ✓ You will hire a screened and trained addition to your production team that can perform DGA duties
- ✓ Trainees have had classroom-based curriculum that includes Production Forms, Creating Call Sheets, First Aid, SAG-AFTRA, IATSE & Teamster Contracts, Safety on the Set, Staging Background Action and many more...

Stretches production dollars...

- ✓ Trainees provide support to your DGA by being able to do DGA covered duties

Please contact the Assistant Directors Training Plan for more information at 818-386-2545.
